

## School Board To Ask Sealed Bids On High Street Property Early In Fall; Check Tax List

Gettysburg's High Street School building, which last month ended a century of service as a school-house, will be sold and the local school board decided at its July meeting Tuesday evening that it will ask sealed bids for the property.

The directors, with President Ray J. Kitzmiller presiding, approved a motion requesting legal counsel to prepare the proper resolution by which the school district can offer the school property for sale under sealed bids.

The directors indicated they would be ready to act on the formal resolution at their next meeting. Opinions expressed Tuesday evening favored waiting until early fall to open the bids.

**Not Needed As School**

Tuesday's action came after several months of consideration during which there were several contacts with borough council representatives. Council has been urged by a number of local groups to acquire the school property.

The school board had three courses open to it. It could offer the building at public sale, sell it privately subject to court approval or ask sealed bids. The school directors settled upon the sealed bid plan as the "fairest." It was evident that the school board does not wish to hold the property longer than necessary. It no longer is needed as a school with the new Keefauver Elementary building to come into use in September.

Most of Tuesday's two-hour session was spent on tax lists and the board wound up with only \$375.37 in unpaid taxes that Collector J. Herbert Weikert was directed to use means at his disposal to collect, including wage attachments. None of the unpaid tax is on real estate.

After the board went over the tax lists of Collector Weikert which they described as being "in very good shape," they voted exonerations totaling \$14,952.97 because of duplications, removals, deaths and in a few cases of aged residents—inability to pay.

**Got Most Of Tax**

The original school tax duplicate was for \$156,010.90 and later addition (Continued On Page 7)

## JOSEPH HOKE DIES TUESDAY

Joseph Robert Hoke, 68, died at his home, 207 W. Main St., Emmitsburg, Tuesday afternoon at 2:20 o'clock. He had been in ill health for about six weeks.

He was born in Emmitsburg, a son of the late Michael and Laura (Smith) Hoke. He was a life-long resident of Emmitsburg and was caretaker of St. Joseph's Catholic Church and school for many years. He was a member of the church.

The deceased is survived by his widow, the former Edie Eyer; five children, Mrs. Emory Summers, Frederick, Mrs. Harry Hull, Baltimore; Master Sgt. John Hoke, U. S. Army, Guam; Thomas Hoke, Biglerville, and Mrs. George Ginnell, Zora; ten grandchildren; a brother, Cleve Hoke, Baltimore; and a sister, Mrs. Fannie Fortney, Carlisle.

Funeral services will be held Friday morning at 10 o'clock at St. Joseph's Church, with his pastor, the Rev. Fr. John Sullivan, officiating. Interment will be in St. Joseph's Cemetery.

Friends may call at the home of the deceased from this evening until the time of the funeral. The rosary will be recited Thursday evening at 8 o'clock. The Allison Funeral Home, Emmitsburg, is in charge of arrangements.

## Ten Savings Bonds Won At Carnival

Eight awards were presented by the Gettysburg Fire Department Saturday night at the closing of the carnival. The awards were U. S. Savings Bonds and the winners were: \$500, Oving Mehning, Hanover R. 5; \$250, Eugene Kell, York St.; \$100, Douglas Kennel, Steinwehr Ave.; \$50, Don L. Taylor, Terra Alto, W. ## Trucker Fined \$440 In York

YORK, Pa. (AP)—A fine of \$440 was paid by one of the first truck owners believed arrested under terms of Pennsylvania's new truck weight limit law signed by Gov. Leader last Friday.

Sheriff Otto C. Everhart, York, County, said he returned the truck yesterday to Thelma Wright, Camden, N. J., after the fine was paid at his office. Everhart said Steven Booser, Woodbury, N. J., was operating the truck when it was confiscated Friday for being 5,900 pounds overweight.

The new law, in addition to increasing truck weights, also boosted the penalties for violations and authorized confiscation of a vehicle until the fine is paid.

A trucking industry spokesman said the new law increased from 45,000 to 50,000 pounds the maximum load limit for the type of truck Booser was driving and that under the old law, the fine would have been about \$50 and costs.

## CHILD WELFARE SERVICES GIVEN \$100 DONATION

A gift of \$100 from the Musselman Foundation to the Adams County Child Welfare Services was announced at the annual picnic meeting of the child welfare advisory board Tuesday evening at the home of the Rev. and Mrs. A. W. Geigley, near Fairfield. Thirty-six attended.

The gift was among other smaller donations received in response to an appeal made some time ago for funds to supply "extras" for children under care of the services. Necessities of life are provided by public funds but these donations will be used for such things as summer camp fees, graduation presents, birthday gifts, music lessons and other similar special purposes.

The advisory group during its business session voted financial help for one of the girls in its care who is entering a three-year nurses' training course.

## STORM BRINGS BREAK IN HEAT

Tuesday evening's severe electrical, wind and rain storm that brought hail to several nearby communities brought Gettysburgians their coolest night in a week and more than a quarter inch of rain.

The mercury tumbled more than 30 degrees from Tuesday's high of 96 and reached a low of 65 during the night. The rainfall at The Gettysburg Times weather station totaled 0.25 inches.

Hanover had hail in an early afternoon storm and while rain fell here at 5 o'clock, hail "fell like a blizzard" in the Caledonia and Buchanan Valley sections.

The United Telephone Company reported scattered lightning and wind damage while the Metropolitan Edison Company said about 50 customers were without current for brief periods during and after the storm. The trouble was "scattered over the whole area" but service was restored quickly.

## Two Appointments To College Faculty

Before leaving Gettysburg on a vacation and later to become president of the University of Cincinnati, Dr. Walter C. Langsam announced the following appointments at Gettysburg College:

Mrs. Esther V. Howell as assistant professor of economics, Mrs. Howell, a native of Mansfield, Pa., did her graduate and undergraduate work at the University of Illinois, where she specialized in public finance. She served as an assistant in the Department of Economics there, before receiving her Ph.D. in 1953. For the last two years she has taught at the University of Arkansas.

Miss Janice L. Miller as instructor of art. Miss Miller is a native of Staten Island, New York. She received her Bachelor of Arts degree from Wagner College in 1954 and her Master of Fine Arts from the Cranbrook Academy of Art, Bloomfield Hills, Mich., in 1955. She specializes in painting, drawing, art history and ceramics, and has had pictures in various exhibits on Staten Island and Bloomfield Hills.

## Pet Show Postponed Until Thursday At 7

The children's pet show, scheduled to be held Tuesday evening at the Recreation Park, was postponed due to rain and threatening weather.

It was announced today the show will be held Thursday evening at 7 o'clock.

A surprisingly large number of parents and children with their pets reported at the field Tuesday evening, indicating a large turnout will be present again Thursday evening.

## FILES DIVORCE ACTION

Glady's Marie (Pine) Downin, Mt. Pleasant Twp., has filed for a divorce from Edgar Downin, New Oxford R. 2. The complaint, filed Tuesday with the prothonotary, lists the grounds as indignities to person and cruel and barbarous treatment. It states that the Downins were married in 1930.

## FINDS BOSTON PUP

Mrs. Clarence M. Swinn, 31 E. Lincoln Ave., told borough police Tuesday that she had found a small Boston bull pup. The owner may claim by calling her or police.

## GUEST MINISTER

The Rev. Stanley Brien will deliver the sermon and conduct the services at the Prince of Peace Episcopal Church next Sunday morning at 10:45 o'clock.

## GUARDS ARE REINFORCED

Prison guards reinforced by state patrol and county and city officers armed with rifles and sub-machineguns patrolled the walls and the area surrounding the prison. And a National Guard company was on standby orders for possible duty.

But inside the prison, most of the more than 1,700 inmates, apparently in obedience of a white-shirted convict-leader of some 35 persons directly involved in an

## PAY RAISE FOR WORKMEN GIVEN BY COUNCILMEN; POLICE MISSED

Gettysburg borough workmen were granted an increase in wages Tuesday evening at the meeting of town council at the engine house.

Following a recommendation presented by Councilman Carl S. Menchey, council adopted a five-cent-an-hour increase for laborers, making their new wage \$1.10 an hour. It also set different wages for various duties. As truck drivers, workmen will receive \$1.20 an hour and during the periods when they operate the roller, sweeper or other heavy equipment, the men will receive \$1.30 per hour.

The same motion increased the salary of the foreman of the borough workmen, Sloan Hoti, by \$20 per month to \$270 per month and increased the salary of Borough Engineer LeRoy Winebrenner by \$25 a month to \$390 a month.

**Police Overlooked**

Estimates made at the meeting by Winebrenner indicated that the increase in wages will cost the borough about \$900 more than the prior scale during the next six months.

No action was taken on an increase in policemen's salaries, with councilmen, after the meeting, saying they forgot to discuss the matter at the session Tuesday night. Previously when pay increases were voted, the borough workmen and police were raised simultaneously. Councilman John Fox and others said they plan to take up the police salaries next month. At the present time the hourly rate for part-time policemen is \$1.05 an hour, the same as the rate paid street sweepers before Tuesday's meeting.

**Have Permit For Lights**

Councilman Fox reported Tuesday night that the town, as of Tuesday, had received a permit from the state for installation of traffic lights at the intersection of York, Liberty and Hanover Sts.

Fox pleading that his committee had not had time to study the permit prior to Tuesday's meeting, said he would present a recommendation of his committee at next month's meeting.

**Job For Planning Commission**

Councilman Donald Rebert submitted an ordinance regulating the use of streets of the borough by trucks, semi-trailers and trailers. The ordinance would limit the use of designated streets for vehicles having more than 12,000 pounds gross weight. At a prior session of council discussion had indicated that the regulation was to be put into effect on streets with certain construction which does not permit them to handle the heavier traffic. The ordinance was submitted to the planning commission for study and recommendation before final action of council. It marked the first time the town has had an ordinance for submission to the newly-formed commission.

The town will begin cutting weeds in the near future. When Councilman John Millard brought up the matter of high weeds in certain lots, Burgess William G. Weaver reported that he is making up the annual list of lots that are to be mowed. If the owners do not cut the weeds, the town will cut them and charge the owners of the lots. Because many property owners prefer to handle the matter in that way—letting the borough workmen mow the lots and then pay the borough—the burgess asked persons desiring such service to notify him immediately.

Council directed that Paul and Jay Woodward be directed to place a sidewalk on the property they recently bought from the Rebecca Clay estate on S. Washington St. Councilmen said they had sought (Continued On Page 7)

## JAYCEES PLAN AUCTION FOR HOSPITAL FUND

The second annual Jaycee auction will be held by the Gettysburg Junior Chamber of Commerce Saturday, July 16, at the Hotel Gettysburg annex auditorium, it was announced today. Proceeds from the sale will go to the Annie M. Warner Hospital fund.

A committee headed by Julius Swope and Fred Attinger and including John Riddle, Walter Fohl, John Weischohn and Donald Corbell is scheduled to visit business places of the community during the next two weeks to secure articles for sale at the auction. The auction is operated on a basis of 80 per cent of the amount paid going to the person providing the article and 20 per cent to the Jaycees, who plan to turn their share over to the hospital fund.

Persons who may wish to have articles in the sale, other than those called upon by the committee, may telephone Gettysburg 175 and the Junior Chamber members will call for the articles and place them on sale.

The entire receipts from articles donated outright to the sale will go to the hospital fund along with the 20 per cent from those articles entered under that arrangement.

The sale will start at 1 p.m. July 16 and will continue until everything is sold. Jaycee members say they hope the sale will be one of the largest ever held here, "because of the worthiness of the hospital cause."

## Hospital Report

The following were operated upon at the Warner Hospital this morning for the removal of their tonsils: Carol, Jesse Jr., Rudolph and Wayne Hansen, Westminster R. 1.

Admissions: Mrs. Merle Moore, Aspers R. 1; Charles Cox, Abbottstown R. 1; Mrs. Joseph M. Condon, Emmitsburg R. 3; Mrs. Elwood Stambaugh, Taneytown R. 1; Mrs. Donald Austin, Arendtsville; Harry Welty, Taneytown.

Discharges: The Rev. Fred C. Schweinfurth, Cleveland, O.; Mrs. William Sontz, Taneytown; Mrs. Hugh Saylor, Westminster R. 1; Mrs. Donald Trone and infant daughter, 305 Hanover St.; Mrs. Robert Wilson and infant son, Taneytown; Mrs. Roy M. Shank, Gardners R. 2.

## 7 Prison Officials Held Captive By Rebellious Cons

WALLA WALLA, Wash. (AP)—Seven state prison officers, seized at knifepoint in a revolt against prison discipline, today still were held captive by a handful of rebellious inmates who couldn't agree on terms for their release.

A series of conferences between state and prison officials and leaders of the revolt ended shortly before last midnight without any agreement to free the hostages.

Dr. Harris said the seven had talked to other prison officials and reported they were well treated.

Two other prison officials seized by the convicts at the start of the trouble were freed without explanation. One of them, Boots Eain of the prison athletic and recreation department, was badly beaten. Captain of the Guards Al Rembold was freed unharmed.

Dr. Harris said the men at conferences during the day were demanding changes in disciplinary procedures and had presented a long list of grievances. They also set a deadline of 4 p.m. today for improvement of treatment by custodial officers; but attached no "or else" terms to the deadline, he said.

## To Be Hostess

Mrs. Rose Murren, Hanover R. 4, only woman to ever receive the title of Master Farmer in Pennsylvania, will be hostess here August 13 for the annual picnic-meeting of the Pennsylvania Master Farmers. A tour of the battlefield and lunch at the National Museum grove are on the schedule for the session.

## Red Hot Mamma Lands In Cooler

PHILADELPHIA (AP)—The heat wave started to show its effects yesterday in Pennsylvania.

In Chester, a woman turned in a false alarm and explained she did it "because I was hot." She went to the cooler.

In Jim Thorpe, a thunderstorm short-circuited the civil defense alert system, blaring a warning signal into three counties.

In Wilkes-Barre area, there was an appearance of winter after a brief hail storm piled up an accumulation of more than a foot.

Intercoast, Pa., reported an unofficial high of 110 degrees but in nearby Paradise it was a relatively cool 96.

And the new terminal building at International Airport here had one of its busiest days. Aviation director Louis Inwood explained that thousands, apparently attracted by advertising that the terminal was 100 per cent air conditioned, dropped in to cool off.

## E. W. Thomas Named To PBA Committee

Edmund W. Thomas, president of the First National Bank of Gettysburg, will serve on the Educational Foundation Board of Trustees of the Pennsylvania Bankers Association until June 30, 1957. The appointment was announced recently by C. A. Skieniewicz, president of the PBA in 1946-47. Mr. Skieniewicz, who took office July 1, also filled a number of committee posts for the group. He announced that the PBA will hold its fourth annual summer school at Pennsylvania State University, August 21-26.

## 35 ARRESTS BY TOWN POLICE DURING JUNE

Borough policemen made a total of 35 arrests during the last month, according to the report presented to borough council at its meeting Tuesday evening at the engine house by Chief of Police Jack Bartlett.

Eighteen of the arrests were made on traffic violations and 17 on criminal charges including 13 for disorderly conduct, three for assault and battery and one for concealed weapons.

Nine accidents were investigated by the officers, 166 "complaints" were received and action taken on 160. Sixteen escorts were provided and the local force rendered assistance to other police forces, armed forces, etc., on 47 occasions. Two bicycles were found and police are now seeking their owners. Three wallets were recovered and one runaway girl was returned to Chambersburg.

## BURGESS, FIRE CHIEF REPORT

Burgess William G. Weaver's report shows that his office received \$130 from parking fines, \$150 for 11 building permits, \$1,135 for 25 digging permits, \$377.38 theater tax, \$108 refund from the municipal authority, \$7 refund for damage to borough property and \$4 from rental of borough equipment. Twelve building permits were issued during the month for construction estimated at \$290,700.

## Borough Officer Ralph Fiscel Suspended For Six Months Without Pay At 'Closed' Session

Gettysburg Borough Council at its meeting Tuesday night in the engine house suspended Borough Police Officer Ralph L. Fiscel, Baltimore St., for six months without pay, and directed its secretary to notify the town's Civil Service Commission that a vacancy exists in the police force.

But council made it clear that the selection of a new police officer was not designed to indicate that Fiscel may not be reinstated at the end of the six-month suspension.

The new officer will fill Fiscel's position for the six-month period, but at the end of that time, when final disposition of Fiscel's case is made, the number of full-time police officers in the town will be increased to seven.

If Fiscel is reinstated then, the force will be at its new strength; if he is permanently suspended, another new officer will be named, according to statements by councilmen Tuesday night.

## 30-Minute Secret Session

Jones held that "might not work. How can you ask a man to leave a steady job for 30 days without any assurance that he would get a permanent police position at the end of that period?" Council President H. M. Oyler held that "it's almost certain that the recommendation of the safety committee will be adopted. You can give that assurance." Other councilmen agreed.

## The decision to suspend Officer Fiscel for six months came after a 30-minute "closed door" session of council held in the form of a committee meeting.

At the beginning of the council meeting the secretary, Mrs. Anna Drach, had read a letter from Burgess William G. Weaver formally notifying council that he had suspended Officer Fiscel on June 8 until the next meeting of council on charges of being intoxicated while on duty and failing to perform his duties as a policeman on that date.

## Asks "Another Chance"

A letter from Fiscel dated July 5 was read in which the officer informed council: "I have been suspended as a member of the borough police as of June 8 by the Burgess, Honorable William G. 'I humbly beseech the members of the council that I be reinstated as a member of the Force and be given another chance to prove to you members and also to myself that I can conduct myself as a policeman on the force as befitting an officer."

" Hoping that you members can find it within your hearts and have the faith in me to believe that I can conduct myself as an officer and that I will perform my duties as an officer so as to be a credit to the force, I assure you that I will not break faith with you or myself ever again."

## Councilman John Fox, when it came his turn to present matters to council in the usual "around the table" manner in which council proceeds during its meetings, reported: "The Safety committee met with the Burgess and police chief and we had a full discussion of Officer Fiscel's case, but we reserved decision until tonight. We would like to have a five-minute recess while the committee meets to make its decision and we invite any other councilmen interested to join with us."

Fox's committee and several councilmen then went from the council chamber to the Burgess's office. After a time the remainder of council joined them. The session lasted a half hour.

After the councilmen resumed their places around the council table, Councilman Fox as head of the Safety committee reported: "The majority seem to think we should suspend Officer Fiscel for a six-month period, from now until the first of the year, without pay. I am opposed, but the majority thinks we should give him another chance. After six months, he can be returned or suspended permanently; it will depend on his conduct."

## HEAT WAVE IN FIFTH DAY; NO RELIEF IS SEEN

By The Associated Press  
Pennsylvania's first heat wave of 1955, with temperatures hitting 100 degrees, went into its fifth day without any relief in sight.

Temperatures at daybreak ranged from 57 degrees at Phillipsburg to 66 at Scranton, 70 at Erie and Harrisburg and 75 in Philadelphia.

But the mercury started going up from there and the Weather Bureau forecast continued hot and humid with scattered thunder showers for tomorrow and Friday.

Williamsport reported the highest temperature in the state with an official 100 degrees. But at Inter-course there was an unofficial high of 110 degrees and 101 at Huntingdon.

**Surge Of Cool Air**  
The Weather Bureau at Harrisburg reported a weak surge of cooler air moved southwest across the state today "but it so slight as to be almost academic."

The hot sun yesterday produced a scattering of afternoon and evening thundershowers. Rainfall ranging up to a third of an inch was reported from places as highly separated as Altoona, Scranton and Philadelphia.

At Harrisburg, the rain was barely enough to measure, but the overcast and sprinkle held the day's high temperature to 96 degrees, two degrees below the previous day.

Other high readings yesterday included: Allentown and Selinsgrove 98; Avoca 94; Erie 90; Middletown 99; Philadelphia 97 and Pittsburgh 91.

## Colonel Hershey Gets New Army Post

Lt. Col. Jacob R. Hershey has succeeded Lt. Col. Clayton A. Bird as the Fort Sam Houston (Texas) post engineer. Colonel Bird has been assigned to the 400th SU Headquarters Fourth Army.

Prior to his new assignment, Colonel Hershey was chief of the Army construction division, Oklahoma Engineering District.

A native of McKnightstown, he was graduated from Gettysburg College in 1932. Entering the Army in 1940, he attended the Army Engineering School and the Command and General Staff School.

The colonel, his wife and two children, Jacob R. II and Harriett M., reside at 418 McMurray, San Antonio.

## Stricken Senator Is Progressing

WASHINGTON (AP)—Sen. Lyndon B. Johnson is "progressing satisfactorily," physicians reported today at the Naval Medical Center where he has been under treatment since he suffered a heart attack Saturday.

The Texas' duties as Senate Democratic leader were taken over yesterday by Sen. Clements of Kentucky who pledged to carry on his program. Johnson's illness is expected to keep him away from the Capitol for the remainder of this session of Congress.

## PROPOSALS FOR BIG FOUR TALKS BEING DRAFTED

By ARTHUR GAVSHON  
LONDON (AP)—Western proposals for possible consideration at the Geneva summit conference were being worked out in several European centers today. They included plans for arms cuts, German reunification and a European security system.

British, French and American experts are scheduled to meet in Paris Friday to begin putting final touches on the proposals, in preparation for their review at a pre-conference parley of the Western foreign ministers July 15.

If approved by the Big Three governments, the ideas will be presented as a basis for discussions at the Geneva talks, scheduled to begin July 18.

**Allies Near Agreement**  
Diplomatic informants in London said last night that the Allies were near agreement on a limited disarmament plan. This was described as the first installment of a possible package deal with the Soviets which the West hopes eventually will include a German settlement and a continental security agreement.

The plan calls for a census of arms and armies maintained in Europe by both East and West, and an agreement to cut down these forces in phases. It also provides for establishment of zones in which there would be either no troops at all or only troops of the nation ruling the territory.

The informants said that even in the absence of any agreement on German reunification, the West believes it possible to arrange some kind of an arms standstill and even a cutback later in both West and East Europe.

On the German problem, a committee of Allied and German experts which has been meeting in Bonn for two weeks already has sent its recommendations on to higher levels.

In Strasbourg, France, members of the European Consultative Assembly, today took up a three-point program suggested as a guide for the Western powers at Geneva. In addition to calling for disarmament and German unification, they urged enrollment of all European nations, including the Soviet Union and her satellites, as members of the Council of Europe.

## Wedding

## SUSPECT SAYS "I BELIEVE I KILLED" WOMAN

LOS ANGELES (AP) — Detectives questioning a rejected suitor of slain divorcee Mrs. Norma Thompson McCauley through the night said early today that he told them: "I think I killed her."

John R. Crooker, 34, arrested yesterday shortly after Mrs. McCauley's body was found in a bedroom in her \$50,000 Bel-Air home, had been booked on suspicion of murder.

The questioning, by relays of homicide detectives, continued last night and early today at downtown Los Angeles police headquarters, later at the West Los Angeles station.

Finally, Crooker appeared on the verge of collapse and Detective Sergeant Jack Gatch and William Stambler said he told them:

"I tried to talk to her but something came over me. I think I used a knife and choked her." The detectives immediately left with Crooker for the McCauley home to continue the questioning. Medical examiners said Mrs.

Henry E. Waltman.

The big firemen's parade will be held on August 8 at 7 p.m. The carnival will be held on the community playground. There will be games, rides, concessions, exhibits and a big party every night. Sandwiches, soup and refreshments will also be available each evening of the carnival.

### Hold Wiener Roast

A wiener roast will be held in connection with the July meeting of the Carroll-Adams Riding Club on Thursday evening at 8 o'clock at the recently purchased club grounds along the Menges Mill Rd., near town.

Fred Allen Hahn, son of Ray L. and Beverly A. (Spelman) Hahn, and Timothy Lee Teal, son of Earl H. and Betty L. (Hahn) Teal, were baptized during the Sunday morning worship service in Christ Evangelical and Reformed Church by the pastor, the Rev. G. Howard Koons. Fred Allen was born April 30 and Timothy Lee was born February 22. The parents were the baptismal sponsors.

McCauley had been strangled with a lace stole twisted around her neck and had been stabbed five times.

"Police said Crooker was a houseboy in the McCauley home while he was a student at the University of California at Los Angeles last year. He is now a student at Southwestern School of Law.

Detectives said he admitted he once threatened to kill Mrs. McCauley "if she broke up with me," but added that "there was nothing to it." They said they found "intellectual love letters" from Crooker to Mrs. McCauley in her home.

**Divorced Hubby Collapses**  
Mrs. McCauley, 33, the daughter of millionaire contractor J. A. Thompson Sr., was divorced March 3 from Frank McCauley, a World War II Air Force ace. Told of her death, he collapsed at West Los Angeles police station.

The divorcee was found dead in the red party dress she wore the night before to a barbecue at her parents' Bel-Air home. The last person to see her alive was public relations man John E. Baird, 32, who police said took her home, said goodnight and departed with another couple.

Medical examiners believe Mrs. McCauley was slain about two hours later. The body was discovered at 7:45 a.m. by a maid. The McCauleys had three small sons.

### AGED MAN FOUND DEAD

PHILADELPHIA (AP) — James McCallister, 75, Colwyn, Pa., who on Monday left members of his family on vacation at Bucks County, Pa., was found dead yesterday along Pennsylvania Railroad tracks in suburban Collingdale.

Police were asked to look for McCallister when relatives were unable to reach him by telephone Monday night. A train crew passing along the tracks spotted the body along the roadbed.

Police said he apparently had been struck by a train.

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

### This 4-Door Beauty is the Newest Hit in Hardtops

YOU certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course.

Which means the low and rakish look of a Convertible — a solid steel roof overhead — and no center posts in the side window areas to obstruct your view.

But that's only the beginning.

Here you get two extra doors. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive half-pillars on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom — yet with no increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series — the SPECIAL and the CENTURY. And it's all Buick — with Buick power, Buick ride, Buick handling — and the spectacular performance of Buick's Variable Pitch Dynaflo.\*

Drop in today—tomorrow at the latest — and learn what Buick's all time record sales year can mean to you in the way of a whopping-bid trade-in deal.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times  
TWENTY-FIVE YEARS AGO

**Cupid Scores As June Wanes:**  
Miss Emma Irene Herman, daughter of Mrs. Anna Herman, York Springs, and William Gremont Noel, son of Mrs. Anna Noel, Biglerville, were married at 8 o'clock Saturday evening at the parsonage of the Biglerville Lutheran church by the Rev. H. W. Sternat. The bridegroom is employed at Koser's warehouse, Biglerville.

**A. Boyd Hamilton Makes Address:**  
A. Boyd Hamilton, secretary of the Senate in Pennsylvania, delivered the address at the Lower Marsh Creek Presbyterian Church cemetery on the morning of July 4. The services honoring Colonel Matthew Dill, Revolutionary War patriot and founder of Dillsburg, York county, were sponsored by the Gettysburg Chapter of the Daughters of the American Revolution.

**People's Drug Store Is Sold At Auction:**  
Mrs. E. Mae Beales on Saturday afternoon purchased at public sale the stock and equipment of the People's Drug Store which her husband conducted for twenty-five years for \$17,400. Bidding was not particularly brisk.

**Tavern, Newest Hotel Opens:**  
Formal opening of Gettysburg's newest hotel, The Tavern, along the Emmitsburg road, took place Wednesday afternoon. Joseph H. Chamberlain, manager, issued an invitation to the public to inspect the facilities of The Tavern at that time.

**Last Troops Leave Rhine:**  
Mayence, Germany, June 30 (AP)—The German Rhineband Sunday stood on the threshold of freedom.

Monday afternoon the last trainload of French troops is to steam out of the third occupied zone and at the stroke of midnight the pealing of church bells and the flare of bonfires up and down the River Rhine will herald the official termination of eleven and a half years of Allied occupation of German soil.

**Namesakes Wed At Shippenburg:**  
Namesakes and both residents of Butler township, Miss Eva V. Slaybaugh, daughter of Mr. and Mrs. H. E. Slaybaugh, and Earl E. Slaybaugh, son of Mr. and Mrs. A. W. Slaybaugh, were married Saturday afternoon at 2 o'clock in Shippenburg, by the Rev. J. C. Coulson, a United Brethren minister.

**4,000 Witness Fireworks At School Field:**  
Four thousand persons jammed the Gettysburg high school field Friday night to see the fireworks display of the Gettysburg Lions' Club. The exhibition was successful beyond all dreams of the Lions, club members declared.

**Announce Marriage Of Daughter**  
June 22: Mr. and Mrs. Oscar A. Lupp, Gettysburg, announce the wedding of their daughter, Miss Kathryn Lupp, to Murray E. Wentz, son of Mr. and Mrs. Milton Wentz, Hanover, which took place June 22 at Manchester. The wedding was performed by the Rev. I. G. Nangle, pastor of the United Brethren Church, Manchester.

**Fire Company Has Successful Bazaar:**  
Between \$1,300 and \$1,400 was cleared by the Gettysburg fire company from its annual four-day bazaar and food sale held at the engine house last week. James B. Aumen, chief of the company, said.

**New Taxes Free Town Of Debt:**  
Councilmen declared their independence from debt at the July meeting, Thursday evening, after George Martin, borough treasurer, reported receipt of approximately \$29,000 in taxes from William Ogden, tax collector.

**Found Credit Bureau Here:**  
Announcement of the establishment of a credit bureau among members of the Adams County Independent Retail Merchants' association was made at a regular meeting of the court house Tuesday evening. Each member of the association furnishes the secretary with a list of those persons deemed unworthy of credit.

## Today's Talk

## WRITE IT DOWN

We forget so many things that we intended to do, to see, and to work out to our advantage. There is a way whereby this can be remedied. Always carry with you a small notebook. Then write down anything interesting. Just to read these notes a long time after they have served their purpose is really an enriching experience.

Stevenson tells in one of his books how he made the habit of writing down in his notebook ideas, names, and characters that he later used in his writing. By carrying his notebook always with him, he gave alertness to his mind and trained it to watch for the simplest of occurrences, places and people.

One of the most interesting books in my library is by Samuel Butler, famous author of "The Way of All Flesh" and many others. It is called "The Notebooks of Samuel Butler" and is most stimulating. I am not always in agreement with what he writes down, but he always makes a reader think. I read where F. Scott Fitzgerald spoke with enthusiasm about Butler's Notebooks. The book gave him the idea to do the same, so that in one of the books published after Fitzgerald's death you will find his notebooks. The book is one edited by Edmund Wilson, called "The Crack-up." Cultivating the habit of writing down one's thoughts, helps to improve one's thoughts. Often it is proved that any of us is a better philosopher than he imagined! Many a writer will first go through his notebooks and then make a sketch of the book he plans to write; then he will take that sketch and put life into it. By writing down our thoughts or ideas, we happily compete with ourselves. We get views first hand. We correct many of our ideas before they are given out to the world. The essence of greatness is planted in nearly every human heart.

Tomorrow Mr. Adams will talk on the subject: "On 'Educated Food'."

## Just Folks

**LIFE AS A FATHER**  
When you get to be a father you will leave the past behind. In the things that seem important quite a difference you'll find. You'll have hopes and high ambitions that you've never had before. And about the distant future you'll be thinking more and more.

When you get to be a father you'll have duties that are new. There'll be tasks, both big and little that you'll have to learn to do. Life will change for you completely—little girl or little boy—There'll be fun, you thought you wanted that no longer you'll enjoy.

When you get to be a father you will learn what life's about. You will know it has a purpose and be glad you've found it out. In that instant you're permitted in the room, your babe to see. You will turn away determined proud of you your child must be.

## 5 KILLED IN WRECKAGE OF TRAIN CRASH

FORT SUMNER, N. M. (AP)—Five crewmen reportedly were killed in the blazing wreckage of two freight trains that collided head-on early Tuesday. One body was recovered.

The men, residents of Clovis, N. M., were trapped in the cabs as flaming oil enveloped the top of the diesel engines. Would-be rescuers were unable to approach the units immediately.

The Santa Fe Railway said about 25 cars were derailed.

The wreck took place at Cardenas, 106 miles west of Clovis on the eastern New Mexico plains. Ralph Ater, Santa Fe public relations officer, said the westbound freight had headed into a siding to let the eastbound freight pass.

The westbound train, instead of stopping, apparently went on through and collided with the approaching train on the main line.

The five crewmen, according to state Policeman Lloyd Miles, were presumed to have died in the flames which enveloped the overturned engines. He said one body had been taken out and rescuers cutting at the twisted steel could see others "lined up" inside.

After identifying the victims as E. G. Abernathy, engine man on the eastbound; J. W. Fryar, head brakeman on the eastbound; J. C. Canipe, engine man on the westbound; I. W. Bell, fireman on the westbound; V. F. Adair, head brakeman on the westbound.

WM B. Hester of Clovis, fireman on the eastbound train, was taken to the Fort Sumner hospital with shoulder and ankle injuries.

Fire departments from Clovis, Fort Sumner and Vaughn sent men and trucks to the scene.

LONDON (AP)—A tremendous double bang shook up a big stretch of southern England early Tuesday.

And as big as the bang itself was the mystery of what caused it. London newspapers favored two theories:

## U. S. AIR FORCE SALUTES Civilian Skywatch

General Nathan F. Twining, chief-of-staff of the U. S. Air Force, today paid tribute to the 350,000 citizens—volunteers in the Ground Observer Corps— "We of the Air Force" he said "salute these patriotic citizens who have given so unselfishly of their time in this vital cause. We all owe to the volunteers of the Ground Observer Corps a continuing debt of gratitude. I ask that all Americans join me in paying honor to them on this, the third anniversary of 'Operation Skywatch,' and ask that those who can arrange their time to lend active support, do so. One million volunteers are urgently needed."

## CLAIMS STARS ARE MISERABLE

GATEBERG, Sweden (AP)—Billy Graham says Hollywood film stars are "the most miserable people in the world."

Bringing his European crusade to Sweden, the American evangelist told an audience of 19,000 the green luminaries are "rich, successful and popular, but they are unhappy because they live apart from God."

"The world's problems today are not H-bombs," Graham continued, "but our human weaknesses. Human nature must be fundamentally changed before there can be peace on earth, he said."

"Come forward and let the royal family of heaven adopt you."

## BOMB KILLS MATUS CERNAK ANTI-RED CHIEF

MUNICH, Germany (AP)—A dark-haired foreigner with a Slavic accent was identified by West German police today as the bomb assassin of Matus Cernak, anti-Communist Slovak refugee leader and World War II collaborator with the Nazis.

The 50-year-old minister of culture in wartime Slovakia who became a foe of Czechoslovakia's present Red government was blown to bits when a 25-pound parcel addressed to him exploded in a Munich post office yesterday.

An aged German housewife also was killed instantly. Thirteen other bystanders were injured. Police blamed "political motives." Cernak headed the National Council of Slovakia, which campaigns for Slovakia's independence from the Prague Communist regime.

Cernak fled to the American zone of Germany in 1947 after serving a two-year sentence for collaborating with the Germans.

Offering a \$1,190 reward, police said the bomb had been mailed to Cernak last Monday from Frankfurt by "a man with dark hair, oval face, age 40-45, middle height, who spoke broken German with a Slavic accent."

## Negro Named To N. Y. Supreme Court

ALBANY, N. Y. (AP)—Gov. Averell Harriman today appointed a Negro as a justice of State Supreme Court.

Judge Harold A. Stevens of Manhattan's General Sessions (Criminal) Court is the first of his race to serve on the Supreme Court. He fills a vacancy caused by death. The post pays \$28,000 a year.

Stevens, 48, is a Democrat and a former assemblyman. He will serve until Dec. 31, 1955.

Stevens was born in John's Island S.C. He is a governor of the Guild of Catholic Lawyers.

Despite his title, the Supreme Court is not New York's highest tribunal. The Appellate Division and the Court of Appeals are above it.

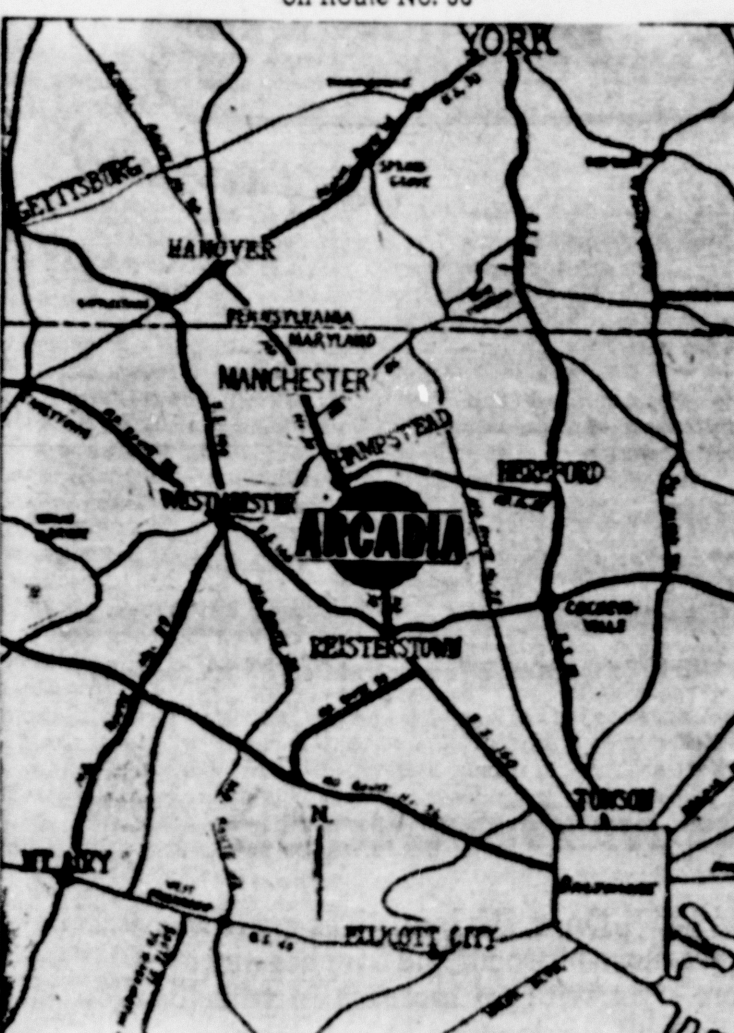

SANTIAGO, Chile (AP)—A brisk snowfall and a cold wave hit Santiago Tuesday. Subfreezing temperatures kept many persons at home. One effect was cool off tension in Chile's widespread strikes, which have affected postal and telegraph services, railways and buses.

## Tom Gorman Shines With A's As He Beats Cleveland For Kansas City's 10th Win In 12

By ED WILKS

There were snickers when the Kansas City Athletics shelled out \$50,000 to get Tom Gorman, Ed Blackwell and Dick Kryniski from the New York Yankees last March but maybe it wasn't such a bad deal after all.

The A's took a sizable risk in the deal and it looked worse when Blackwell and Kryniski departed for the minors. But now Gorman has come through with the big payoff.

Only a so-so reliever in three trials with the Yanks, Gorman has looked almost brilliant for the A's. He flashed his stuff again last night, putting down an eight-inning rally and going on to beat the Cleveland Indians 4-3.

**10th Victory For A's**

It was the 10th victory in the last 12 decisions for the A's and Gorman, a 29-year-old right-hander, has won two of them and saved five others. For the season, Gorman has made 29 appearances, nailing up a 4-1 record (the defeat came on an unearned Boston run May 13) and saving nine other games.

The bespectacled New Yorker, who won his chances with the Yanks of his minor league showing with the old Kansas City Blues, came on against the Indians with the score tied at 3-3 on Jim Hegan's homer of starter Bobby Shantz. The little lefty left with two on and two out and Gorman got Al Rosen on a foul pop with his first pitch to end the inning.

Gorman retired the Tribe in order in the ninth.

**Cleveland Now 3rd**

Joe DeMaestri and Hector Lopez, unlikely power sources, each homered to bring the A's home safe. Lopez smacked his third of the season in the eighth for the big run. DeMaestri unloaded his No. 3 belt to lead of the first inning, ending a 29-inning scoreless streak for Early Wynn, who lost his third against 11 victories.

The defeat, suffered in the lone American League game scheduled, dropped the Tribe to third place, five percentage points behind Chicago. Both now are 5½ games shy of the Yankees.

In the National, Cincinnati edged St. Louis 5-4 after a ninth-inning free-for-all; Philadelphia defeated first place Brooklyn 5-4; and the New York Giants whipped Pittsburgh 11-1. Chicago and Milwaukee were idle.

**5 Homers At Cincinnati**

Though only four games were played, 14 home runs were hit. Five of them came at Cincinnati, where police add to break up the brawl touched off by Managers Birdie Tebbetts and Harry (The Hat) Walker. Tebbetts got it going by complaining that the Cards were stalling.

When order was restored, Johnny Temple lured a single to score the winning run and cap a two-run rally by the Redlegs. Ted Kluszewski, the muscular Cincy first baseman who remained nonbelligerent in the fighting, whacked his 28th homer early in the game.

**12th For Roberts**

Robin Roberts drove in three runs against the Dodgers and gained his 12th victory with relief help. Andy Seminick's two-run homer in the eighth won it. Duke Snider hit his 28th homer for the Brooks, now 12 games ahead of Chicago.

The Giants had a pair of four-run innings while rolling past the Bucs as Johnny Antonelli won his seventh on a four-hitter. The New York lefty, who has lost 10, fanned 10. Willie Mays hit his 24th and 25th homers.

## NOBODY SORE AFTER WALKER, TEBBETTS FIGHT

CINCINNATI (AP)—Birdie Tebbetts, the philosophizing manager of the Cincinnati Redlegs, said today his fight last night with his rival Harry Walker of the St. Louis Cardinals proved his fists and wrestling were rusty.

Tebbetts and the Cardinal manager traded lefts and rights in the ninth inning of the ball game. They wrestled to the ground and rolled over and over.

"I got stepped on pretty often," Tebbetts grinned. "There must have been 50 guys on the field and they all must have stepped on me. It was one time I wished I was on the bottom of the pile."

**Nobody Sore**

"It was just one of those things when we were all teed up trying to win," Walker said. "I'm not mad at Tebbetts and I know he's not sore at me." Tebbetts agreed.

"I had no objection to the way Walker was managing the ball club," Birdie said. "If they were taking extra time, that was up to the umpires. But when an outfielder and an infielder were warming up, I had to protest the violation of a league rule."

**Half Dozen Fights**

After an exchange of remarks, Tebbetts stepped around umpire Jocko Conlan and led with his right to Walker's body. They rolled in the dust. Players from the field and the dugouts then started to exchange blows in a half dozen assorted fights.

Conlan said the fight started when the two managers started calling each other names. Tebbetts suffered a bloody nose. Walker minimized his injuries—bruises on the bald spot of his head and his face.

### Eastern League

By THE ASSOCIATED PRESS

The five top teams in the Eastern League are all within a game of each other. The same applies to the bottom three.

But between the two groups is a long, 12-game gap.

The Williamsport Grays still lead, although their margin was shaved to half a game yesterday. Schenectady is a half-game behind, and Binghamton, Reading and Allentown are tied for third, each one game out. Johnstown, Elmira and Albany bring up the rear, 13, 13½ and 14 games out, respectively.

Williamsport lost its half-game by suffering a 6-2 defeat at the hands of Allentown, while the league runner-up in Schenectady were idled by rain.

#### Was Cage Star

Dick Ricketts, who was on the mound at Williamsport for his first complete organized baseball game, got the win for Allentown. He first gained national acclaim as a basketball player at Duquesne University.

The Johnstown Johnnies went down to their eighth straight defeat as the Reading Indians made use of seven safeties to defeat Alberto Osorio, 3-1, at Reading. Gene Law, the winning hurler, limited the Johnnies to five hits.

The Elmira Pioneers faced Albany's left-hander Bob Mische at his best and suffered a 7-2 defeat. Mische scattered six safeties while going the route for the first time this season. He was backed up by 10 hits, two of which were doubles by Bob Jenkins.

Schenectady at Binghamton was postponed because of rain.

### 3 Local League Games Postponed

All scheduled games Tuesday night on the Recreation Park diamonds were washed out by Tuesday's thundershower.

Tonight's games will be as follows:

**Little League**

Moose vs. Lions, 6:15.

**Big Little League**

Eagles vs. Elks, 6:30.

**Softball League**

Elks vs. Legion, 8.

#### YESTERDAY'S STARS

Pitching—Tom Gorman, Athletics, threw one pitch to end an eighth-inning rally with two men on base and went on to win his fourth in relief in a 4-3 victory over Cleveland.

Hitting—Willie Mays, Giants, hit two home runs in one game for the fifth time this season in 11-1 romp over Pittsburgh.

## CONSIDER NEW BOXING LAW FOR PENNSYLVANIA

HARRISBURG (AP)—A meeting of the state Athletic Commission with the attorney general's office was called for today to discuss the proposed new state boxing code to be presented to the Legislature.

Thomas K. Hodges, the governor's press secretary, said the "plan is for the commission to discuss the drawing up of the new law which will be presented to the lawmakers soon."

Prior to the meeting, James H. Crowley, chairman of the athletic commission, said the proposed code may include the right to suspend a fighter before a hearing is held.

"A fighter could rob a bank this afternoon, get out on bail and fight tonight under present rules. We are considering the right to suspend pending a hearing," Crowley said last night.

#### Stricter Screening

Crowley said other ideas the commission has been entertaining are the setting up of stricter standards for physical fitness of fighters and stricter screening of all licenses including managers and promoters.

Gov. Leader last week said he hoped to introduce legislation embodying the new code when the General Assembly returns from its recess next Monday.

The governor's office also said yesterday that the Athletic Commission's report on the Harold Johnson-Julio Mederos fight last May in Philadelphia would be made public Thursday afternoon. The report originally was to have been made public yesterday.

The report deals with findings of the commission during nine days of hearings on the circumstances surrounding the light heavyweight fight last May 6.

The commission charged that Johnson was drugged when he was unable to answer the bell for the third round in his bout with Mederos. The bout triggered a 90-day suspension of professional boxing in Pennsylvania.

## Woman Who Stole \$100,000 To Pay Her Former Husband Blackmail To Get Hearing

LANCASTER, Pa. (AP)—A 44-year-old woman, accused of stealing \$100,000 to pay her former husband blackmail, will have a formal hearing Friday along with the ex-husband and his 70-year-old father, who is charged with being an accessory.

Detective S. K. Cliff said his men went to the home of the ex-husband, John F. Huber, 49, of York R. 7 yesterday and found about \$300 in losing racing tickets and a St. Petersburg, Fla., bank book in his name listing \$17,597 in deposits between March and June of 1951.

Earlier, Mrs. Kathryn R. Hassel, a trusted bookkeeper, confessed she sent Huber about \$15,000 while he was in Florida because he threatened to tell her mother about their marriage and two alleged abortions before then, police said.

#### Paid "Hush Money"

The younger Huber is charged with blackmail and conspiracy and his father is charged with receiving stolen goods, conspiracy and with being an accessory.

#### Worker From York Is Killed In Crash

LEWISTOWN, Pa. (AP)—Donald Biddle, about 42, was killed in a two-car collision at a nearby intersection yesterday as he rode home from work with five fellow workers of the American Viscose Corp. plant in Lewistown.

Police said Biddle was thrown from the car by the impact of the crash and the vehicle rolled over on top of him, crushing his skull. The mishap occurred at a "T" intersection on Shindler Road about 10 miles east of here and about 300 yards from the victim's home.

Five other Viscose workers, including Roy D. Swanger, McClure, driver of the car, were slightly injured but required no hospital treatment. State police Pte. William Campbell identified the driver of the second vehicle as Roy Boreman, 22, who also lives near the intersection.

#### Limit Carry-over

Both the House and Senate wrote into the new foreign aid authorization bill a restriction to forbid the administration from carrying over into this fiscal year, which started July 1, more than 200 million dollars of aid money voted in past years but not spent or obligated by midnight July 30.

Mansfield said in an interview the "maneuver" of obligating this amount—marking the money for specific military items to be bought in the future—has the legal effect of spending the money even though it may not actually be paid out for months or even years.

**Last-minute Spending**

The practice of deadline spending by government agencies, usually on a smaller scale, has been a subject of congressional criticism for years.

"The Defense Department," he said, "apparently thinks it can avoid an express prohibition of Congress by the pretense of obligating huge amounts of aid money on the last day of the fiscal year and then, if it so desires, obligating the same amount later and keeping it lying around available for some future time."

#### COURT UPHOLDS RR INJUNCTION

PHILADELPHIA (AP)—A temporary injunction restraining the Pennsylvania Railroad from putting into effect a labor contract covering rates and working conditions for yardmasters has been upheld by the U. S. Circuit Court of Appeals.

The railroad had appealed the injunction handed down last November by Federal Judge Allan K. Grim on a petition by counsel for the yardmasters of America.

The Circuit Court said, "the harm to the railroad from the injunction can adequately be measured in dollars, while the harm to the union, if the injunction is refused is irreparable. The raising of the substantial and serious doubts is at least sufficient to justify the issuance of a temporary injunction."

The union contends that it has had contracts with the railroad since 1937, and a new agreement was negotiated last year. The union

## PATTERSON TO FACE M'BRIDE THIS EVENING

NEW YORK (AP)—Floyd Patterson's timetable calls for a heavyweight title bout with Rocky Marciano June 1957—provided the Rock still holds the title. But will the 1952 Olympic champ be ready?

The 20-year-old Brooklyn Negro takes on his first full-grown heavyweight tonight in Archie McBride, a 185-pounder from Trenton, N.J. The 10-round match at Madison Square Garden will be carried ABC on radio and television, starting at 9 p.m., EST.

#### Has Won 9 Straight

Patterson has been in with heavyweights before but the biggest of them, Joey Maxim, weighed no more than 177 pounds. Pat Joey, of course, is the only fighter to beat Patterson in 23 pro starts and that decision, June 7, 1954, was disputed by most of the boxing writers present.

McBride doesn't rank among the top 10 heavyweights although he beat the No. 9 man, Bob Satterfield, in his last outing, May 11. Satterfield was subbing for Patterson that night in Chicago after Floyd pulled out because of pneumonia poisoning. At 26, McBride has won 20 of 29 starts with 8 knockouts. He was stopped twice, by Jimmy Walker and Boardwalk Billy Smith.

The burden of proof is all on Patterson who must prove he can handle a man with a solid weight advantage over him. Patterson has won nine straight, stopping his last four opponents, since he lost to Maxim.

## FIND "PRINTS" IN MURDER OF WEALTHY WIDOW

PHILADELPHIA (AP)—Detectives investigating the mystery slaying of a wealthy widow report they found fingerprints on a bureau and drinking glass which are possibly those of a "stranger."

The body of Mrs. Lulibel Rossman, 65, was found in her center city hotel apartment, the victim of a July Fourth murder. She was bound hand and foot and had been suffocated by a gas made of a handkerchief and a string of pearls.

Mrs. Rossman has been described as the sole heir of a \$405,000 estate left by her husband, Palen P. Rossman, senior partner in a firm of certified public accountants.

Detectives said one of the nine pieces of luggage found in her room contained \$3,817 in cash and two \$1,000 U. S. Savings Bonds. Considerable expensive costume jewelry lay untouched, they said. However, robbery was not ruled out as a motive.

Capt. David H. Roberts of the homicide squad, who announced the finding of the fingerprints, also said his men had uncovered evidence that Mrs. Rossman had a safe deposit box at a Philadelphia bank.

He said he would ask court permission to open it within a week to see if its contents could shed any light on the murder.

#### Open "Crusade" For Safe Driving

SACRAMENTO, Calif. (AP)—State officials, aroused by wholesale death on the highways, uncovered a new plan of action today to fight California's menacing killer-on-wheels.

It was timed for right after the Fourth of July weekend and before another heavy toll of 42 fatalities could be forgotten. But it's intended as a year-round project in a state which consistently leads the nation in holiday traffic deaths.

The announced goal is to mobilize public opinion behind a safe driving crusade.

Gov. Goodwin J. Knight's Traffic Safety Committee will call the signals.

California, with six million cars—one million more than New York—contributed the highest number to the nationwide death total of 497. Illinois counted 21, New York 20.

## National Leaguers Early Favorites For 22nd All-Star Game Tuesday At Milwaukee; Americans Lead Series

By CHARLES CHAMBERLA

CHICAGO (AP)—The power-packed National Leaguers today were made early favorites over the American Leaguers as opposing managers rounded out their 25-man squads for the 22nd All-Star Game at Milwaukee Tuesday.

The Americans hold a 13-8 edge in the midsummer series and last year won at Cleveland 11-9 in a field day for batters.

Most experts believe another high-scoring game will result this time with the Nationals equipped for home run bombardments behind such sledge guns as Cincinnati's Ted Kluszewski and Brooklyn's Duke Snider, leading with 27 through the holiday weekend; Chicago's Ernie Banks with 21; and Milwaukee's Eddie Mathews with 20.

**Names 9 Hurlers**

On paper, the Americans cannot match this. Their top home run producer is New York's Mickey Mantle with 18.

And it is questionable also if the Junior circuit's pitching staff selected by their All-Star manager Al Lopez of Cleveland can surpass that of rival skipper Leo Durocher of the Giants.

Lopez has named nine hurlers, including four lefties, with a combined record of 76-43 through Monday's games. They are rookies, Dick Donovan, 9-2, Chicago; Herb Score, 7-6, Cleveland; Whitey Ford, 10-3, and Bob Turley, 10-7, New York; Early Wynn 11-2, Cleveland; Billy Hoelt, 8-3, Detroit; Bill Pierce, 5-5, Chicago; Frank Sullivan, 11-7, Boston; and Jim Wilson, 5-8, Baltimore.

**No Great Hurlers**

Durocher failed to name any of his own Giant pitchers as he bobtailed his staff to seven with a combined 65-39 record. His right-handers will be Don Newcombe, 14-1, Brooklyn; Robin Roberts, 11-7, Philadelphia; Gene Conley, 9-5, Milwaukee, and Sam Jones, 9-9, Chicago.

The lefties will be Harvey Had-dix, 5-9, St. Louis; Joe Nuxhall, 8-5, Cincinnati; and rookie Luis Arroyo, 9-3, St. Louis.

#### Opening Lineups

The opening lineups, including batting averages through Monday's games:

American—1b, Mickey Vernon, Washington 282; 2b, Nellie Fox, Chicago .337; 3b, Jim Finigan, Kansas City .288; ss, Harvey Kuenn, Detroit .316; lf, Ted Williams, Boston .386; cf, Mantle .306; Yogi Berra, New York, .288.

National—1b, Kluszewski, .321;</

## Assembly Has Settled Some Issues, But Deadlocks Remain On Taxes, Budget And FEPC

HARRISBURG (AP) — Pennsylvania's General Assembly starts the 7th month of its 1955 session next week with a few major issues decided but still deadlocked on its No. 1 problem—taxes. Solution of many other issues revolve around the big one.

The Legislature in the first six months since the session opened in January, has approved a broad plan of reorganizing state agencies at the bureau level; revised the unemployment compensation law increasing both benefits to workers in the central state area for a jet experiment center; increased the load weight of commonly used trucks in the state and authorized two extensions of the Pennsylvania Turnpike.

But that legislation was squeezed in during a running battle over taxes—a fight that has reached the stalemate stage with the opposing sides dug in for a long session—“We may be here until Christmas” is a refrain that has been heard more frequently in the capitol corridors.

### The Box Score

The box score of the 1955 session

to date:  
Days in session: House 61; Senate 51.  
Bills introduced: House 1,845; Senate, 584. Total 2,229.  
New laws passed, 394.  
Bills passed by the House 291; by the Senate 107.

The tax impasse is complicated by divided political control of the House and Senate. Democrats control the House with 112 representatives, with 106 votes needed to pass a bill. Republicans rule the Senate with 26 votes, just enough to pass a bill. Democrats themselves, cannot pass a bill in the Senate, without at least two GOP votes.

Another issue nearing a showdown in the Senate is legislation prohibiting discrimination in jobs because of race, color, creed or national origin. The Senate Education Committee, after once rejecting the House-passed bill, unexpectedly revived it after inserting an amendment banning discrimination in employment because of age.

### Want Separate Bill

Administration forces and FEPC proponents are driving to strike that amendment out of the bill

before it comes to a vote, on grounds the age issue should be treated in a separate bill.

The tax issue revolves around Gov. Leader's plan to impose about 500 million dollars in new taxes to balance the state's \$1,800,000,000 budget for 1955-57. The governor's tax program is built around a classified income tax levy to raise about 400 million with the rate ranging from one per cent on wages and salaries to 6 per cent on some forms of unearned income. The remaining 100 million would be raised by new or higher taxes on business and industry.

The administration tax program has bogged down in the House where sufficient Democrats, at the last count, were lined up against it to prevent its passage.

Leader has been pressing for a showdown in the House on his program, insists he has no alternative and says he would veto a sales tax at a higher rate, the only alternative program that has been discussed in the debate. The present one per cent sales tax expires Aug. 31.

### Want Budget Cut

Republicans, opposing the governor's program in both House and Senate, have yet to get down to cases on a substitute program, but have insisted on trimming the budget up to 200 million dollars as a starting point.

The major legislation passed to date:

Government reorganization—Two bills were enacted authorizing reorganization of agencies of the state government. The first gives the governor broad power to reshuffle agencies at the bureau level in the interest of economy and efficiency, unless either branch of the Assembly rejects a specific plan of reorganization within 30 days of its presentation. The second authorizes the governor to appoint a 12-member commission to chart the way for reorganization. One plan already has gone into effect, setting up the State planning Board as a separate agency reporting directly to the governor. It formerly was attached to the State Department of Commerce.

Unemployment Compensation—After weeks of debate, the state's unemployment compensation law was revamped. It increased maximum weekly benefits to workers

from \$30 to \$35, weekly, and the payroll tax on employers from an average of 1.1 per cent of 88 million dollars to 1.63 per cent, or 137 1-3 millions annually.

### To Sell Land

Curtiss-Wright project—Legislation was enacted to sell and lease 84 square miles of state-owned land in Clearfield, Elk and Cameron counties to the Curtiss-Wright Aeronautical Corp., for a jet engine center. Gov. Leader expects the project to provide 6,000 to 8,000 jobs in that area.

Truck weights—Ending a running battle for eight years, a bill was enacted increasing the maximum weight of commonly used trucks in Pennsylvania from 45,000 to 60,000 pounds. The same bill also sharply increased fines for overloading and also boosted the registration fees of all trucks except

## Helped Form Oldest City Managership

STAUNTON, Va. (AP) — This city, which claims to have given birth to the city manager form of government, is also proud of its mayor, William A. Grubert.

Mayor Grubert, now 85, has been mayor since 1943, a member of the city council since 1932 and the only living man who had a hand in the formation of the city manager form. He was president of the Board of Aldermen from 1906 to 1908 and it was on January 13, 1908, that the city manager program was adopted.

### Vote \$500 To Band

A deed was received from Joseph E. Codori for the alley between E. Lincoln Ave. extended and Barlow St. extended. The borough solicitor was asked to prepare an ordinance for approval so that workmen can begin construction of a storm sewer as authorized at the last meeting of council.

The "Ed Pfeiffer" alley off Baltimore St. was formally ordained to permit some repair by the borough. Council approved payment of a donation of \$500 to the Blue and Gray band.

Ordinances for Gettys St. and Long Lane will be submitted next month, Borough Engineer Winebrenner told council. He said that installation of sewers along those streets will be completed by that time and work can begin on improving the streets.

### Council Hits Snag

Council ran into a snag when it sought to place a "Through Stop" sign on Fourth St. at E. Middle. Describing a number of "near accidents" at the intersection, some

councilmen held that both Fourth and Middle were through streets, some holding Middle was a through street to the end of the borough. A check of the ordinance showed that Middle had not been ordained as a through street below Third and so council will need to pass an ordinance before it can put up a sign at the Fourth St. intersection.

No action was taken by council concerning the possibility of purchasing the High St. School property, as recommended by a number of organizations to the town. Councilman James Shenk said he had asked the Gettysburg School board to set a price on the structure and to inform council on the method the board plans to adopt in disposing of the century-old school.

### Urges Speed Trap

Councilman Mahlon P. Hartzell asked council whether the Recreation Board will be asked to pay for the labor in connection with the borough placing "black top" on the basketball court at the Recreation Field, or whether it would be asked only to pay for materials. The stone for the work had been donated by John Teeter, Hartzell said. Borough Engineer Winebrenner was asked to determine the cost of the labor in placing the "black top" and report at the next meeting before council reaches a decision on how much it will charge the Recreation board for the work.

Councilman Rebert again urged council to set up a speed trap in the borough, claiming that other communities have had success with them as a means of slowing down speed through the town, and said he understood that the cost was simply the police officers' time and \$25 for a telephone connection.

Councilman Fox held that "this is a tourist town and a lot of people make their living from the tourist trade, we don't want to get a bad name with the tourists."

"Making Progress" Rebert said: "It's not the tourists but our own cowboys that are speeding."

Burgess William G. Weaver held the borough police are "making a number of arrests on speeding as the monthly police report shows. We think we are making progress in breaking up speeding. We can't get them all, but we think we are getting a good share of them."

Council left the matter at that point and turned to other business. A request by Rebert for a stop sign at the intersection of Highland Ave. and Queen St. was turned over to the safety committee for recommendation. A request for additional street lights on Highland Ave. and

## MARINE DIVORCE VOIDED BY JUDGE

PORTSMOUTH, Ohio (AP) — Whether or not Marine Walter Sheets knows it, he's still married.

Judge J. E. Kinnison of Jackson County yesterday vacated the divorce granted last week to Sheets' wife Nancy Ann after the judge said he learned Sheets was going to remarry her.

Sheets re-enlisted in the Marine Corps at Cincinnati last week. He told the recruiter he was eligible for a second hitch because his divorce had left him with only three dependents — his children, ages 3, 2, and 6 months.

The Marines would not let him join with four dependents.

Court attaches said the judge vacated the divorce on grounds it was obtained fraudulently. That left the divorce still pending and Sheets still married.

Sheets had worked for the Portsmouth Times. His wife obtained a divorce on grounds of cruelty.

Court attaches were wondering whether the Marines now would discharge Sheets because of fraudulent enlistment. They pointed out, however, Sheets thought he was divorced when he re-enlisted.

Queen St. was turned over to the utility committee for recommendation.

### Get Street Deeds

Deeds for extensions of Highland Ave. and Johns St. were presented to council. The borough solicitor was asked to prepare ordinances for the extensions to be presented next month.

Approval was given for moving a street light at the intersection of Franklin and Breckenridge Sts. The light had been moved prior to the firemen's carnival.

Burgess Weaver was asked to "see about" an open ditch in the north end of town.

### Resolution Of Regret

The safety committee was instructed to make some arrangements to provide police protection for borough workmen when they are placing or removing the bunting across the streets. There have been a "number of near misses" as motorists "almost hit the men while they were working," Councilman Rebert said.

At the opening of the meeting the council passed a resolution of sympathy and regret in the death of Councilman George D. March who had served as a councilman for 12 years. The resolution noted that "ever a public spirited citizen, he gave lavishly of his time for the good of the community." The resolution stated also: "As representatives of the citizens of this community we wish to express the sense of loss to the community, and to share in the grief of his family as we had shared in his company and his efforts."

Following passage of the resolution, the council stood for a moment of silence in respect for the deceased member of council.

duet during the six-month period. If he turns out fine, we can reinstate, if not."

### Fox Votes "No"

Councilman Mahlon P. Hartzell observed, "We might be making a man tonight."

Borough Solicitor Eugene V. Bulleit held that council could not put any qualifications on the suspension: "In January there will be a new council and you can't put any strings on their hands. All you can do is to suspend the officer for a period of time. It will be up to the new council to do whatever it wants to do at the end of the suspension."

On the advice of the solicitor, the motion was put simply "That officer Fiscel be suspended without pay for six months." The other councilmen voted favorably. Fox voted, loudly, "no."

After the meeting Councilman Fox told reporters he wanted it made clear that he had favored permanent suspension of Fiscel but "the majority wanted it otherwise."

## School Board

tions brought it to \$156,768.91. Collections during the rebate period totaled \$130,922.89 with discounts totaling \$2,618.45. There was \$16,422.88 collected at par. During the penalty period, collections with penalties totaled \$4,607.76. Exonerations were made from that list and the outstanding balance of \$375.57 includes some tax accounts on which partial payments have been made, Mr. Weikert's report showed.

The final monthly report of the First National Bank as local school district treasurer was submitted showing a year-end balance of \$19,036.99. The balance at June 1 was \$45,431 and receipts came to \$796. Expenditures, including a sum to the jointure, totaled \$27,190. The Gettysburg National Bank becomes school district treasurer under a rotation system in force here for a number of years.

All members of the local board were present excepting LeRoy Smith and Douglas Smith. Dr. Lloyd C. Keefe, superintendent of schools, attended the meeting which was held in his office.

## Plan Talent Show For Lawn Fete

The annual lawn fete of the Grace Evangelical and Reformed Church, Taneytown, will be held Saturday afternoon at the church. A baked ham supper from 3 to 8 o'clock with Miss Helen Bankard in charge. There will be a fish pond for the children and cake, candy, sandwiches, soft drinks and novelties will be on sale.

A local talent show will be held in the evening, featuring a one-act play entitled "How The Story Grew." Miss Margaret Shriver will direct it, and the characters will be: Mrs. Brown, Catherine Martin; Mrs. Green, Jean Harrison; Mrs. Bean, Lorraine Fream; Mrs. Rice, Ruthanne Airing; Mrs. Doolittle, Kaye Molmeyer; Mrs. Snow, Ruth Shoemaker; Mrs. Taylor, Fairy Frock; and Mrs. White, Alice Frock.

A concert will be given by the Westminster Band during the evening. Trumpet selections will be played by Victor Welty and Paul Andreas, accordion selections by Doris Baker, and other instrumental numbers by David and Kenneth Reifsnnyder. A reading will be given by Mrs. Edna Schwab.

## News Of Taneytown And Vicinity

### KIWANIS CLUB HEARS PASTOR

Rev. Stanley B. Jennings, pastor of Trinity Evangelical and Reformed Church, gave the Independence Day talk at the meeting of the Kiwanis Club last Wednesday evening at Taney Inn. In it, he stressed the need for cooperation, imagination, determination and consecration. The program for this evening's meeting has not been announced.

President Harmon Albaugh appointed the following committees for the crab and shrimp feast, to be held July 20 at Crouse's Garage: Food, Elwood Baumgardner, George Harner, George Showers, Lewis Crumpacker, Wallace Yingling, and Robert Smith; place, Eugene Eyer, Paul Rodkey, Howell Royer, Ned Musser, Edward Nussbaum, and Robert Kountz; serving, Norman Graham, Harry Mohnhey, Carl Frock, Bob Polley, Andrew Mason, Edward Howarth, Samuel E. Breth, and David Smith; finance, John Skiles; tickets, Charles Stonestifer; and inter-club, Wallace Yingling.

It was announced that "more than 100" youngsters are planning to attend the swimming classes which are sponsored annually by the Kiwanis. The lessons will be given in August by Sheldon Shearer, according to present plans, at Crouse's Pool, on the Littlestown-Hanover Road.

### Taneytown Sewer Ahead Of Schedule

The work on the Taneytown sewer system was reported to be "ahead of schedule" at the monthly meeting of the town council Tuesday evening in the Municipal Building and it is expected that the bulk of the work will be completed in the next few months. Bills of approximately \$48,000 were approved for work on the sewer dore in the last month.

It was announced that a plumbing code is being drawn up by Whitman, Requaert and Associates, Baltimore, the consulting engineer on the project, and should be ready for consideration by the next meeting.

President James Myers presided at the meeting, which had been shifted from Monday to Tuesday evening because of the holiday.

### BAUMGARDNER ENDS SERVICE

When Taneytown's town council met Tuesday night, it marked the first meeting since 1932 without Merle S. Baumgardner as a member. Mr. Baumgardner, who lives at 310 E. Baltimore St., declined to run for re-election this year, after

M. S. BAUMGARDNER

23 years' service on the group, and the new councilmen took office at the June meeting.

Mr. Baumgardner was born in Bridgeport, in Frederick County, Md. He moved to Taneytown in 1935 and established a bakery, from which he has retired. He has served in the council under mayors Morris Dutta, Norville Shoemaker, Richard Rohrbaugh, and the incumbent, Raymond J. Perry.

Mr. Baumgardner considers the construction of the sewer system, which is presently underway, as the outstanding project of his 23 years of service. He said: "It's expensive but it's well worth it." He is also proud of his part in the paying off of the water bonds, the paving of town streets, and the arrangements which led to the establishment of the Cambridge Rubber Co. factory in Taneytown, about 20 years ago.

The tax rate during his span has risen from 45 cents to 85 cents.

If he has any "pet peeve," it is alleys. He would like to see them kept clear of both garbage and parked cars.

### New Cabinet Is Formed In Italy

ROME (AP)—Christian Democrat Antonio Segni formed a pro-Western coalition Cabinet today, ending Italy's two-week-old political crisis.

A lawyer, teacher and land reform expert, Segni, called on President Giovanni Gronchi early this afternoon to present the names of his Cabinet ministers. They will take office tonight.

The new government must still win approval of both houses of the Italian Parliament.

Segni announced acceptance of the premierships last night. The scholarly, 64-year-old Christian Democrat said his Cabinet would be made up of members of his own party, the Social Democrats and Liberals, and would have the support of the Republicans.

### State Has More Polio Cases Than '54

HARRISBURG (AP)—Nine new cases of polio in Pennsylvania were reported to the state Health Department during the week ending yesterday.

Department records now show a total of 96 cases in the state for the year, including six children who received antipolio vaccine. The week's new cases were two more than reported during the same week of last year.

The 1955 total compares with 74 reported up to July 5, 1954, and 55 reported to the same date of 1953. There were no new cases last week of vaccinated children developing the disease.

Ralph Shipley was elected president of the Brotherhood of the Taneytown E. U. B. Church for the year 1955-56 at a recent meeting of that group. Other officers elected were: Vice President, Ray Copenhaver; secretary, Sterling Selby, and treasurer, Wesley Ambrose.

# FOUR BIG "EXTRAS"

Actual photo of the Plymouth Belvedere Club Sedan

# AT NO EXTRA COST

ONLY FROM PLYMOUTH IN THE LOW-PRICE 3

**1 EXTRA BEAUTY** Plymouth's exciting Forward Look is the only honestly new styling in the lowest-price field this year. (That means a bigger demand for these models when trade-in time comes.) And that glamorous new Full-View windshield gives you the greatest visibility of any low-price car!

**2 EXTRA SIZE** Plymouth's extra length (it's a full 17 feet long) means you enjoy a far smoother ride than possible in the shorter low-price cars. There's extra hip room, leg room and trunk room (much more than in the other two) and larger door openings for easier entry and exit.

**3 EXTRA ECONOMY** Plymouth's two big power-plants—the fast-stepping 6-cylinder PowerFlow 117 and the high-flying 167-hp Hy-Fire V-8—each offers you rock-bottom economy and split-second performance. (Plymouth's PowerFlow 117 is the only "6" in its field with money-saving Chrome-Sealed Action!)

**4 EXTRA VALUE** Plymouth alone of the low-price 3 gives you the extra protection of Safety-Rim wheels, constant-action electric windshield wipers, an independent parking brake, plus many other costly-car features. All at no extra cost! Come in and see how much Plymouth's "extras" can mean to you.

## MRS. KREITZER WINS \$32,000 IN BIBLE QUIZ

NEW YORK (AP)—Mrs. Catherine E. Kreitzer has a week to decide whether to take the \$32,000 she has already won on a television quiz show or risk losing it in a try for \$64,000.

The 54-year-old grandmother from Camp Hill, Pa., survived the next-to-last hurdle in the CBS TV program. The \$64,000 Question when she gave correct answers to a three-part Bible question last night.

A devout Bible reader all her life, Mrs. Kreitzer had chosen to be quizzed on the Bible when she started on the program two weeks ago. That night she reached the \$8,000 mark and last week came back to win \$16,000.

### Won With Ease

Aiming for the \$32,000 last night, she was given the names of Matthew, Peter, James the Greater and James the Less and then was asked to complete the list of the 12 Apostles.

For a moment it appeared she might lose out when she skipped John. She quickly ran through the list a second time, however, and named the missing disciple as well as Andrew, Philip, Bartholomew, Thaddeus, Thomas, Simon and Judas Iscariot.

She had no trouble with the remaining two parts of the question: How did Matthew and Peter make their living and who was the father of James the Less?

She replied without hesitating that Peter was a fisherman and Matthew a tax collector and James' father was named Alphaeus.

Mrs. Kreitzer's husband James, a carpenter, had stayed home with an injured leg. "I knew she would win," he commented after the show.

Asked if he thought his wife

## OUSTED TROOPER IS REINSTATED

HARRISBURG (AP)—Maj. William J. Ruch, fired in 1940 for supposedly delving into politics is back on the state police force.

Col. C. J. Henry, state police commissioner, said he approved Ruch's reinstatement after finding his personnel record "quite clean."

Ruch was reinstated as a major and assigned as inspector of troop headquarters and substations. He will work out of Harrisburg.

Henry said there was nothing in Ruch's record to substantiate the summary dismissal by Col. Lynn Adams, former state police commissioner, in February, 1940.

Henry, an acquaintance of Ruch since 1924 when they both joined the police force, said the reinstatement took effect on July 1. In answer to a question, Henry said that Ruch would be eligible for a state police pension in two years, if he decides to retire then and has made up back payments to the pension fund.

could answer any question on the Bible, he replied, "I suppose they can stump her on something—she isn't that smart."

If she decides to try another question next week, Mrs. Kreitzer may bring along any Bible authority she chooses to help her answer it.

The Kreitzers have six grown sons and nine grandchildren. For the past 4½ years Mrs. Kreitzer has been working as a typist at the naval supply depot in Mechanicsburg, Pa.

Although only 5 per cent of U. S. pupils attended them, half the schools in the United States in 1950 had only one room.

## OPINIONS SPLIT ON GENUINENESS OF RUSSIAN AIMS

By JOHN SCALI

WASHINGTON (AP)—A difference of opinion has developed among U. S. officials as to whether Moscow's current peace talk shows that Russia genuinely wants to end the cold war.

A majority of policy makers seems to believe such recent Russian gestures as the unprecedented apology for shooting down an American plane mean Moscow at least plans to offer concessions aimed at easing East-West tension.

The Geneva summit conference opening July 18, in the view of these officials, promises to lead

to a series of negotiations which could slow down the arms race and make a start toward solving critical European and Far Eastern problems.

### Others Pessimistic

An evidently smaller group of officials, however, describe this view as dangerously optimistic. They argue that no end to the cold war is in sight and that any concessions Russia may make will be superficial.

Russia's soft talk is explained by them as another and more skillful Soviet maneuver to block German rearmament.

Both sides appear to agree on one major point: apparent agricultural difficulties and the arms burden are straining Russia's economy, and so the Kremlin leaders would like a breathing spell to concentrate on mechanizing farms and building up Russia's industrial base.

### Other Disagreement

These two groups disagree, how-

ever, on how much Russia is prepared to give up in order to gain such a breathing spell.

The most optimistic officials say Russia could be pressed to lay a sizable price—an arms reduction plan including adequate inspection, German unification on terms suitable to the West and a slight easing of Russia's grip on its Eastern European satellites.

In opposing this view, many intelligence officials contend there is no evidence Russia's economy is hurting badly enough to require her to make such sweeping concessions.

### \$1,400 DAMAGE BY FIRE SUNDAY TO WASHHOUSE

On Sunday night at about 10 o'clock the York Springs Fire Company was called to the home of Russel E. Tanner, R. 1. A passing motorist saw the roof of the wash house and workshop was on fire and notified the family. The Tanners had burned rubbish in the fireplace during the afternoon. It is believed a defective chimney caused the fire and ignited the roof. The building was destroyed. They estimated \$1,000 loss on the building and \$400 for the contents. There was no insurance. The building which burned was about 25 feet from the house.

Jay Snyder, son of Mr. and Mrs. Clay Snyder, was one of six Adams

County youths who attended the 26th annual leadership training school held this week by the extension Department at Pennsylvania State University, University Park, Pa.

### MT. ETNA POPS LIKE CHESTNUT; DOES NOT ERUPT

By ANDREW NAHAS

IN A NAVY PLANE OVER MT. ETNA, Sicily (AP)—A little crater inside the big one glows dark red, then every 8 or 10 minutes pops like a chestnut on a hot fire.

Flames and chunks of molten rock spout up 100 feet or more. Those are the fireworks from Mt. Etna, which for five nights have been visible for 30 miles or more along the tourist-crowded east coast of Sicily.

It is the most activity Europe's highest volcano has shown for four years. But looking into the crater from only 500 feet away, there is no sign that a major eruption has begun.

A U. S. Navy R4D two-engine plane was piloted for this flight over the crater by John Higgins of 325 Hancock St. Bluefield, W. Va., an aviation chief machinist's mate. The copilot was Lt. R. M. Biggenho of 3732 3rd St. Verona, Pa.

#### Main Crater Is Quiet

The new activity is inside a crater 250 feet by 300 feet formed 44 years ago. It is on the north-east side of the mountain. Three hundred feet above it, the huge main crater now is quiet.

Inside the northeast crater is a bed of black lava. The new volcanic mouth is a red pimple in the center, about 50 feet wide.

Smoke boils out in puffs and is whipped away by a 30-mile-an-hour wind. A dark red glow brightens to cherry red every 8 or 10 minutes. That is when the flames lash up and the chunks of molten rock are hurled into the air, to fall back into the crater.

Dr. Salvatore Jocuzza of the Institute of Volcanology of the University of Catania reported the activity "considerably increased" in the past 24 hours.

If the spous continue to go higher, some lava will begin spilling over the rim of the crater. But authorities reported villagers living in the possible path of a lava flow were showing no signs of fright.

#### FIND BODY IN MINE

COATESVILLE, Pa. (AP)—The body of James Woodard, 72-year-old widower who left a note on his kitchen table saying, "Goodbye, am leaving today," was found in a water-filled abandoned iron mine about a mile from his Honeybrook, Pa., home yesterday.

Police said Woodard disappeared Monday from the home he occupied with a married daughter. A search was conducted Monday night and the body was found in the flooded mine yesterday.

seriously ill at his home was taken to the hospital in the York Springs ambulance. He was placed in an oxygen tent.

Mr. and Mrs. Walter Weigle, Philadelphia, visited Mrs. Weigle's mother, Mrs. Annie Smith, of York Springs over the weekend.

Mr. and Mrs. Melvin Pittinger, Madison, Wis., visited Mr. and Mrs. George Lay. Melvin was a resident of York Springs when his father, the late Rev. Pittinger, was pastor of the Methodist Church.

Mr. and Mrs. George A. Manning of Harrisburg announce the birth of a son on June 30. Mr. Manning is a grandson of George B. Lay.

## GM TO SEEK STOCKHOLDERS' OKAY ON SPLIT

NEW YORK (AP)—Directors of General Motors Corp. have announced plans for a three-for-one stock split, subject to stockholders' approval at a special meeting Sept. 23.

The surprise announcement came yesterday afternoon after the New York Stock Exchange had closed for the day. Even without news of the split GM stock had risen \$3.75 a share during the day, closing at \$113.37.

On the West Coast, where news of the split arrived shortly before exchanges closed, GM prices jumped to \$118.75 a share in San Francisco and \$121 in Los Angeles.

The corporation, largest manufacturing firm in the world, gave no reason for the split, which

would increase the number of shares outstanding from nearly 93 million to about 279 million.

The special stockholders meeting to vote on the proposed split is to be held at the company offices near Wilmington, Del. By far the largest single holder of GM stock is E. I. du Pont de Nemours and Co., which owns 21 million shares.

GM's present outstanding stock includes 4,380,000 shares sold in March to raise \$25 million dollars, the largest financing job ever carried out by an industrial firm.

Holders of GM stock at the time were permitted to buy at the price of \$75 one share of new stock for every 20 shares owned.

Prices of GM stock in 1954 ranged from \$58.75 to \$98.75. The lowest price at which stock has sold this year was \$89.50.

The company last year paid total dividends of \$5 a share. So far this year it has paid two dividends of \$1 each.

GM has split its stock four times before. The last was a two-for-one split on Oct. 21, 1950.

## HOT WEATHER STILL WITH US

By THE ASSOCIATED PRESS

The summer season's hottest weather held a sticky grip again today in areas from the plains to the Atlantic Coast.

Some sections of the hot and humid belt got temporary relief from scattered showers and thunderstorms. But temperatures again today were predicted to move into the 90s and higher.

Readings hit 100 and above in some sections of the East yesterday. The 90-degree line extended

from Portland, Maine, westward to southern Wisconsin, southward along the Mississippi River into Arizona. Highest temperatures were in the Far Southwest, with 107 in Tucson, Ariz., and 106 at Presidio, Tex.

Several places reported 1 inch of rain during the night, with falls of nearly 2 inches at Muscle Shoals, Ala., and about 1½ inches at Omaha and Charleston, W.Va. Scattered showers and thunderstorms also were reported in New England and in the Pacific Northwest.

Wages paid to government employees at federal, state and local levels in 1950 totaled \$22,100,000,000.

## Turns Over Truck Loaded With Eggs

BECKET, Mass. (AP)—Although driver Wallace Danson, 23, of Grand Rapids, Mich., knew his tractor trailer was loaded with 513 crates of eggs, he deliberately caused his truck to turn over on its side.

Police credited Danson's move with saving life and limb—even if it did smash the eggs. Danson brought the truck over on its side when he discovered his brakes were out of order on a downgrade. The truck skidded 150 feet but Danson was unhurt.

## Tries To Dump His Melons; Arrested

TYLER, Tex. (AP)—A farmer was arrested yesterday for trying to dump a truckload of his cantaloupes on the downtown square. W. Carl Wester, 59, claimed Tyler stores were selling Arizona melons and "I can't get 2 cents for mine." He began dumping his in protest.

Arresting officers bought two bushels at \$1 a bushel. But Wester must appear in City Court on charges of disturbing the peace.
